To whom it may concern:

Dear Sir or Madam:

I am happy to offer a letter of recommendation on behalf of Ryan Byes and WatchPoint Surveillance. WatchPoint Surveillance has been a sub-contractor on a couple of our projects for government installations. The most recent project was for the installation of 1,065 CCTV cameras at the US Air Force Academy in Colorado Springs. The work consisted of running cabling, mounting and configuring cameras in the dormitory for the cadets.

For the past few years I knew WatchPoint Surveillance, they had shown nothing but high degree of professionalism, and commitment to their clients.

If you have any questions, please do not hesitate to contact me.

Respectfully yours,

Michael Lee
